

CORE BRAND KEYWORDS (ENTITY & BRAND SIGNALS)

These help Google & AI engines understand **who you are**.

Short / Brand

- CleverClimb SEO
- CleverClimb Digital Marketing
- CleverClimb SEO Agency
- CleverClimb SEO South Africa

Long-Tail / Entity

- CleverClimb SEO digital marketing agency
- CleverClimb SEO services South Africa
- CleverClimb SEO for local businesses

👉 Use these across:

- Homepage
 - About page
 - Footer
 - Schema (Organization)
-

SEO SERVICES KEYWORDS (PRIMARY SERVICE)

Short-Tail (Competitive – use carefully)

- SEO services
- SEO agency
- SEO company
- search engine optimization services

Mid / Long-Tail (High Value)

- SEO services for small businesses

- affordable SEO services
- professional SEO services
- SEO agency for local businesses
- SEO services for startups
- SEO services South Africa
- SEO agency South Africa
- SEO consultant South Africa

Location-Based (VERY IMPORTANT)

- SEO services Cape Town
 - SEO agency Johannesburg
 - SEO services Pretoria
 - local SEO services South Africa
-

GEO (GENERATIVE ENGINE OPTIMIZATION) KEYWORDS

This is your **differentiator** — most agencies are not targeting this yet.

Short-Tail

- GEO optimization
- generative engine optimization
- AI search optimization

Long-Tail (Low Competition, High Authority)

- generative engine optimization services
- GEO SEO services
- AI search optimization for businesses
- SEO for AI search engines
- optimize content for ChatGPT and Google SGE
- AI-ready SEO strategies
- future-proof SEO services

👉 These should appear on:

- Homepage
- GEO service page

- FAQs
 - Blog content
-

PPC KEYWORDS (HIGH COMMERCIAL INTENT)

Short-Tail

- PPC services
- Google Ads agency
- paid search marketing

Long-Tail

- PPC management services
- Google Ads management South Africa
- affordable PPC services
- PPC agency for small businesses
- Google Ads for local businesses
- conversion-focused PPC services

Local Variants

- PPC agency South Africa
 - Google Ads services Cape Town
 - PPC management Johannesburg
-

SOCIAL MEDIA MARKETING KEYWORDS

Short-Tail

- social media marketing services
- social media agency

Long-Tail

- social media marketing for businesses
- social media marketing services South Africa
- social media management for small businesses
- Facebook and Instagram marketing services
- social media advertising services
- content and social media marketing

GEO / AI-Friendly Variants

- data-driven social media marketing
 - AI-assisted social media marketing
 - performance-based social media marketing
-

COMBINED “DIGITAL MARKETING” KEYWORDS (HOMEPAGE SAFE)

These are perfect for **H2s and supporting text**.

- digital marketing agency
 - digital marketing services South Africa
 - SEO and digital marketing services
 - online marketing services for businesses
 - data-driven digital marketing agency
 - performance marketing agency
-

HIGH-INTENT CONVERSION KEYWORDS (CTA / LANDING PAGES)

Use these near buttons & CTAs:

- free SEO audit
- SEO growth plan
- digital marketing consultation
- website SEO analysis
- online marketing strategy session

HOW TO USE THESE (VERY IMPORTANT)

Homepage

- **Primary focus:**
SEO services + digital marketing + GEO (light)
- Avoid stuffing — **semantic variation only**

Service Pages

- One **primary keyword**
- 3–5 **supporting long-tail keywords**

Blog / Resources

- GEO keywords
- AI search topics
- “How” and “What is” queries

LOCAL SEO KEYWORDS FOR CLEVERCLIMB SEO

◆ CORE LOCAL MODIFIERS (Use Variations)

- near me
- in South Africa
- in Cape Town
- in Johannesburg
- in Pretoria
- Gauteng
- Western Cape

These modifiers combine with your service keywords.

LOCAL SEO SERVICE KEYWORDS

Short-Tail (High Competition)

- SEO services South Africa
- SEO agency South Africa
- local SEO services South Africa

Long-Tail (HIGH VALUE)

- SEO services for small businesses in South Africa
- affordable SEO services South Africa
- SEO agency for local businesses in South Africa
- SEO consultant South Africa
- local SEO agency South Africa

City-Level (IMPORTANT)

- SEO services Cape Town
- SEO agency Cape Town
- SEO services Johannesburg
- SEO agency Johannesburg
- SEO services Pretoria
- SEO agency Pretoria

LOCAL GEO (AI SEARCH) KEYWORDS

These are **early-mover keywords** — excellent authority builders.

Short-Tail

- GEO optimization services South Africa
- AI search optimization South Africa

Long-Tail

- generative engine optimization services South Africa
- GEO SEO agency South Africa
- AI-ready SEO services South Africa

- optimize website for AI search South Africa
 - SEO for ChatGPT and Google SGE South Africa
-

LOCAL PPC KEYWORDS

Short-Tail

- PPC agency South Africa
- Google Ads agency South Africa

Long-Tail

- PPC management services South Africa
 - Google Ads management Cape Town
 - PPC agency Johannesburg
 - affordable PPC services South Africa
 - Google Ads for local businesses South Africa
-

LOCAL SOCIAL MEDIA MARKETING KEYWORDS

Short-Tail

- social media marketing agency South Africa
- social media management South Africa

Long-Tail

- social media marketing services South Africa
 - social media marketing Cape Town
 - social media agency Johannesburg
 - social media marketing for small businesses South Africa
 - Facebook and Instagram marketing South Africa
-

COMBINED LOCAL DIGITAL MARKETING KEYWORDS

Perfect for **homepage & service overview pages**.

- digital marketing agency South Africa
 - digital marketing services Cape Town
 - online marketing agency Johannesburg
 - performance marketing agency South Africa
 - SEO and digital marketing services South Africa
-

“NEAR ME” & CONVERSION KEYWORDS

Use **sparingly** in FAQs and body copy.

- SEO services near me
 - digital marketing agency near me
 - Google Ads agency near me
 - social media marketing near me
-

HOW TO DEPLOY THESE (IMPORTANT)

Homepage

Use:

- 1–2 city mentions max
- Country-level keywords as primary
- Natural phrasing (GEO loves this)

Example:

“CleverClimb SEO is a South Africa–based digital marketing agency supporting businesses in Cape Town, Johannesburg, Pretoria, and beyond.”

Service Pages

- **One city per page**
 - One primary keyword per page
 - Add FAQs with local phrasing
-

Google Business Profile

(When you set it up)

- Use **city** + **service** keywords
 - Match homepage wording exactly
-

GEO BONUS (Advanced)

AI engines prefer **context over repetition**.

So use phrases like:

- “Businesses across South Africa”
- “Serving clients in major South African cities”
- “Remote services with local market expertise”
